EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Daniel Ortiz on March 15, 2006.

2. The application has been amended as follows:

IN THE CLAIMS:

Claim 15. In lines 1-2, **delete** "wherein, the co-surfactant comprises at least one member", **and insert** ---wherein the composition further comprises at least one co-surfactant---

3. The following is an examiner's statement of reasons for allowance:

Instant claims 11-23 are allowable for the reasons of record found in Applicant's Remarks dated March 8, 2006 and October 19, 2005. Specifically, the prior art of record does not teach or suggest in general methods for improving the cleaning performance of liquid laundry detergents or methods for washing textiles with a liquid laundry detergent composition that contains the specific components required in the instant claims.

Accordingly, the claims viewed as a whole would not have been obvious to one of ordinary skill in the art at the time of the invention after viewing the prior art of record.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian P. Mruk whose telephone number is (571) 272-1321. The examiner can normally be reached on Mon-Thurs (7:00AM-5:30PM).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Douglas McGinty can be reached on (571) 272-1029. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
